It let me remove the extra line spaces without renumbering. See if it looks right to you now.

I also changed the data manager email to a link (although it won't make any difference in print versions).

Hello Kimby, I am attaching the new draft, it looks great, except paragraphs 44 and 45, when I tried to move part of the paragraph up on paragraph 44, it started renumbering everything so I cleared that. But still has format issue.

Otherwise, I think it's in good shape.
